

BEST OF BAGS

Display for your optimal presentation

You will receive the display **pre-assembled**, so you only have to stack the individual elements on each other. Furthermore, we will send you the display as well as the bags you have chosen **free of charge**.

You will **profit** from our **recommendations** for new bags for your display every year. In case you do not want to exchange your current bags, we will send you the new hangtags with **current** information regarding the price and colours.

We will **pad** the bags and provide them with hangtags (gross prices) before sending them to you.
