

THE HIGH-SPEED PRINTS

**HALFAR
FAST
LANE®**

HALFAR FAST LANE®. PUTS LOGOS ON THE BAG FASTER.

Extra fast and extra individual - with the new HALFAR® prints you have the advantage. We produce your print separately as a kind of sticker. We attach this to a carrier frame that is already pre-assembled on the bag. This saves time and costs. In addition, the creation process offers you many possibilities.

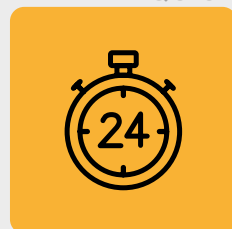

- **Already from 1 piece, ready from 1 day after the launch of the order.**
- **Small quantities and personalization possible**
- **Colour intensive, full 4c printing**
- **Noble with spot varnish finish (optional)**
- **High-quality aluminium optics with laser engraving (optional)**
- **Energy-saving LED UV printing**
- **Fast drying inks, without mercury and lead**
- **Available for the STAGE and FRAME bag series and the notebook backpack SPACE**
